## Principal's Corner

Dear Students, Parents, Guardians,  
and Friends of Barnett Shoals  
Elementary School,

Can you believe that we have already completed a full week of school? We are so excited about the new school year and about all of the new bears that have joined our family this year and we welcome them into our den. Things are off to a tremendous start and we are very proud of how everyone has come together to help us get things moving ahead at full speed. We are all looking forward to another great year as a successful community of learners.

As I mentioned last week, please look for this *Bear News* Newsletter every Friday. It will help keep you up-to-date with our accomplishments and important upcoming events. You may also find a copy of this newsletter on our website at

<http://www.clarke.k12.ga.us/Barnett.cfm>.

It was so nice getting to meet most of you last week when we had our Meet the Teacher ice cream social. I would like to personally thank the faculty, staff, parent volunteers, PTO Board, parents and students for making that event so special for all of us.

August is a busy time of the year at school and we have many fun and exciting events coming up in the near future. Please mark the following dates on your calendars so that you can join us here at school:

August 17 Curriculum Night for grades K, 1, and 2 at 6PM ; light supper at 5:30

August 18 Curriculum Night for grades 3, 4, and 5 at 6PM ; light supper at 5:30

August 20 PTO Board meeting at 5:30

August 26 Early Release Day-dismissal at 12:20

August 27 5th Grade Parent Breakfast

We are very proud of our school and our students. Parents and Guardians, we ask for you to be active, involved, and to support our school so that your child can receive the best education possible. Please have your child(ren) at school by 7:40 so that they will be able to engage in learning at the start of the school day.

I welcome each of you to stop by during the school day so that you can witness the great and exciting things that are happening at Barnett Shoals Elementary School all the time. We welcome your comments and concerns so please do not hesitate to call for any reason. Come and visit us, you are always welcome.

Warmest regards,

Dr. Sharon White
